

EDUCATION PARTNERS

A membership category for universities,
colleges and private training providers,
designed to strengthen the links between
industry and education

ukft[®]

Discounted rates for UKFT training

including the UKFT Academic Masterclass programme and bespoke training and seminar delivery

Priority access to UKFT's Internship schemes

including Made It, the Drapers' x UKFT Bursary programme and tailored links with UKFT members across the sector

Project support

for industry-related innovation centres, projects and research – including contributing to funding bids, steering committees and discussions; co-ordinating industry groups and promoting activity and findings

Free access to all UKFT seminars

on a range of industry specific topics which are refreshed each season. All team members will be allowed access free of charge

Seminars for students

one-off delivery on selected topics from the UKFT seminar programme (delivered and costed on a case-by-case basis)

Events and networking

exclusive networking opportunities with other institutions and businesses across the industry

Promotion

the opportunity to promote your institution to the network through the UKFT newsletter, website and social media

Access UKFT's Associate Members

including specialists in areas such as fashion law, international logistics, intellectual property and fashion production software

Access to online member-only assets

including colour forecasting for textiles and legal contracts

Key sessions and careers talks

UKFT can introduce you to a range of industry practitioners from the network to help you to deliver up-to-date insights on specific areas of industry

Manufacturer visits

UKFT can facilitate site visits to mills and manufacturers across the UK to help students get a better understanding of how the production side of the industry looks and works

Course development

links to industry practitioners to support the development of new courses and modules

Skills Consultancy

members have access to core support from the UKFT skills and training team. Support may include OFSTED inspections, qualifications development, apprenticeship delivery and advice on national and regional industry skill gaps. For more in-depth requirements consultancy services can be accessed at a reduced member rate

UKFT Rise

students from member universities (third year undergraduates earliest) may access UKFT Rise for top-level support in building a business

Regular industry news

multiple colleague sign up to UKFT's e-shots and newsletters
